

**DATE: OCTOBER 31, 2011
FOR IMMEDIATE RELEASE**

EPS Corporation is pleased to announce we have been awarded the General Services Administration GSA Connections II prime contract. CONNECTIONS II is a \$5 billion, 9-year and 3-month multiple award Indefinite Delivery/Indefinite Quantity (ID/IQ) contract that will be the government's worldwide one-stop shop for buying telecommunications, network, and communications solutions.

The award of GSA Connections II to EPS illustrates our longstanding partnership with the GSA and signifies that EPS is among the leaders providing IT solutions to the defense and civilian agencies of the federal government. "We are proud of our team members' support during the proposal phase and look forward to many more years of successful work on GSA Connections II," said Bob Deane, Chief Information Officer and Senior VP Business Development. "We also highly value our relationship with the GSA and will continue to provide the expected exceptional service from EPS as we have for the last 8 years, including the successful performance of over 300 task orders under the original GSA Connections contract," said Antoinette M. Musorrafiti, Chief Financial Officer and Executive Vice President.

For more than 28 years, EPS has established itself as a trustworthy Government Contractor with emphasis in Department of Defense (DoD) activities including training of the military, communications-electronics, security systems, inside and outside plant, voice and data systems, facilities, OEM maintenance and management of multimillion dollar contracts worldwide.

EPS, a Service Disabled Veteran-Owned Small Business (SDVOSB), is headquartered in Tinton Falls, NJ and maintains several offices around the country as well offices overseas to support existing customers and new initiatives.

Please contact Bob Deane, Robert.Deane@epscorp.com for more information on EPS' GSA IDIQ Contracts and Schedules or go to the company website www.epscorp.com.
